

---

I-Doser's 5th installment, V5 Premium features 232 new and unique doses along with the 150 original doses from I-Doser.com that you know and love. With 60+ psychedelic, 10+ medical, and 18 music doses in its vast library of brain-bending audio experiences, this has got to be one of the most extensive collections on the market. Complex soundscapes provide an acoustic experience so detailed it will leave you feeling like you've been teleported elsewhere. It takes the I-Doser concept to a whole new level, placing you in a different world. V5 Premium by far has the largest sound library to date with 232+ doses. Audio enhancements include:

Version 1.1 : 3 new doses, 1 re-dose and removed all record-length limits!

Amphetamine – Experience being on speed. High energy, enhanced focus and concentration, increased drive and motivation to accomplish things quickly without focusing too much on the task itself. Psychedelic – A psychedelic dose makes your mind expand into a world where you're less self-aware and more focused on your surroundings. Music can be extremely enhanced by experiences such as this one. Hallucinogen – I-Doser V5 Premium delivers a hallucinogenic experience through its audio. The music is the most important aspect of the immersive effect, but it's not all about that. You'll be taken to another world that has you in awe. Mindmelter – Mindmelter is a mind-altering experience for this dose. There are no words to describe it, but you will feel something completely different from anything else out there. Circadian Rhythms – Circadian Rhythms is a great sleep aid if you have trouble falling asleep at night or are just generally tired all the time. It helps with your circadian rhythms to get you ready for your day. Medical – The medical doses within the V5 Premium collection contains doses that are geared towards helping with specific situations. These are great when you really need something like them in your life. Music – Experience music in ways you never thought possible. Doses like this feature artists working in the field of binaural audio which is an incredible way to enjoy music in a different way than most people are used to experiencing it. It's really like listening to two separate albums at once that when combined create one beautiful experience. It can be very relaxing or invigorating depending on the artist you choose. Blockchain – Feel as though you've been transported back in time with a dose from the blockchain. Enjoy a walk through history and learn about events that took place thousands of years ago and discover all there is to know about events that led to the modern world we know today. Cerebral – When you purchase V5 Premium, this dose is included for free. It's very cerebral and will leave you with an altered perception of reality.
